Lumiere
#1 Glass Writing Board

- Contemporary – alternative to traditional whiteboards highlighted by the translucency and elegance of premium glass

- Quality – toughened safety glass, non-porous surface will not ghost or stain and works with standard dry-erase markers

- Frameless – tempered glass is borderless to create clean lines, uncluttered and ultra modern appearance

- STARPHIRE GLASS - is completely clear as most of the iron oxides have been removed - helps eliminate colour distortion

Easy Stick Tiles
Australian Animals

Six Pack Shape Tiles

Aussie Animal Tiles bring colour, fun and function while reducing noise in learning environments. The 6 pack of tiles consists of individual Australian animal shapes cut from contrasting colours; Use just the animal shape, or the whole 600x600mm tile. Colours are assorted.

Use alongside standard 600x600 peel 'n' stick tiles to create a large unique colourful area to inspire creativity.

• 6 x Australian animal pack - assorted mystery colours - please contact our team if you require specific colours
• Use as a complete tile or just the animal shape
• Easy to self install - just peel and stick to most surfaces*
